Women Of Wonder Party

W.O.W.! What exactly is a Women of Wonder Party?

An image educator will come to your home and offer a 45 minute **interactive** presentation on how to present the image you desire by focusing on your personal body shape. While your friends watch, they will learn how to identify their own personal body shape and see how to put together outfits that flatter their body!

As the Hostess, the image educator will use you to explain the concepts while providing you with the necessary information to begin to develop your own personal style. As the Hostess, you will also get the opportunity to earn gift certificates towards more image education services! After your party, you will want to enjoy additional services such as closet shopping, personal shopping, wardrobe planning and others. Depending on the number of guests attending, you can earn up to 2 additional hours of image education.

Earn While You Learn:

You simply invite your family, friends and co-workers to attend your image education workshop. The number of attendees determines the amount of additional services you earn. You will receive a gift certificate for:

- Up to 5 guests, Hostess receives 1 hour of image education, just for having the party! This is in addition to the information received at the event.
- 6 to 10 guests, Hostess receives 1 hour plus \$15 towards future image education services.
- 11 to 15 guests, Hostess receives 1 hour plus \$25 towards future image education services.
- 16+, Hostess receives 2 hours of image education.

What's the catch? How can I do this without selling or recruiting? The cost of advertising in the newspaper or a magazine is outrageous. As a small business, that cost is prohibitive! WOW parties are my opportunity to advertise. That is why the free service offer is based on the number of people who show up.

It's just a party with your friends!
